Gorleston-on-Sea Fever With both thanks and apologies to John Masefield

I must down to Gorleston again, to the lonely sea and the sky,  
All I ask is a dinghy and a Tacktick to steer her by;  
And a steady force four, that would surely please,  
The big Norfolk skies and a temperature over twenty degrees

I must go down to Gorleston again, for the call of the running tide  
And the rolling waves for a thrilling off wind ride  
The steady winds, the white clouds flying  
The open sea is the place to be, of that there's no denying

I must go down to Gorleston again, where everyday stresses are cured  
To the club on the 'prom', where a warm welcome will be assured  
And all I ask is a merry yarn from a laughing fellow-member,  
And the enjoyable days on the water that I will long remember.

I must down to Gorleston again, for the challenge of the sea.  
To compete against the other sailors, it's surely the place to be.  
So note the date, it's June 18<sup>th</sup> & 19<sup>th</sup> for the Beach Regatta  
And if you can't wait, you could join us on the 16<sup>th</sup>, for the Thursday evening regatta!
